THE RESERVE TEN MILLIONS SHORT AGAIN.

HEAVY DRAFTS ON UNCLE SAM

BUT THE NEW YORK BANKERS PROMISE TO HELP OUT.

NEW YORK, July 21.—The withdrawal of gold from the subtreasury for export today, to Germany, aggregated \$3,030,000, of which amount, \$1,540,000 was in fine gold bars, and \$1,490,000 in coin. The aggregate withdrawals amounted to about \$3,700,000 including \$350,000 taken by Canadian banks, and reduced the treasury free gold to about \$90,000,000.

The strength of the exchange market and the prospect of further heavy inroads upon the treasury stock of gold has resulted in a number of informal conferences between treasury and clearing-house officials and the officers of the national banks in regard to protective measures. It was rumored that President

Frederick W. Tappan, of the Gallatin National bank, had received the signatures of other bank officials to an agreement to turn over to the subtreasury \$10,000,000 in gold in exchange for legal tender notes, and that from \$10,000,000 to \$15,000,000 additional will be secured. It was admitted that the conference had taken place, but the report of actual signatures to any specific amount was denied. President W. H. Cannon, who, with President Tappan and J. Edward Simmons, of the Fourth National bank, has been especially active in the movement, said today:

"It can be said that if the treasury should need gold the New York banks would be prepared to furnish a very considerable amount. Nothing has been signed, however, and undue excitement should be depreciated, as the treasury holds now \$90,000,000 in gold. Money is easy and there is no just reason for alarm."

Of the amount withdrawn Heidelberg, Ickelheimer & Co., will ship \$380,000; L. Van Hoffman & Co., \$500,000; Lazard Freres, \$800,000 and Knauth Nachod & Kuhne, \$200,000.

American Horse Won.

LONDON, July 20.—P. Lorrillard's American horse Magic won the Wigston 2-year-old selling plate, worth 150 sovereigns, at Leicester. Mr. Taylor Sharon's Red Nob was second and Lord Crewe's Mrs. Proudly third.

A BRYAN TIDAL WAVE

St. Louis Conventions Sure to Be for Him.

RADICAL POPULISTS MAY BOLT

But the Conservatives All Favor a Union Ticket.

ST. LOUIS, July 21.—The Bryan managers confidently claimed this morning that they had passed the Rubicon and that their control of the convention is practically assured. There are conditions and details yet to be worked out but they believe they have won the main victory, the nomination or endorsement of the Chicago ticket. Although they claim the victory, they believe there will be a bolt of the radicals and paradoxical as it may seem, this is what some of the most level-headed desire. They claim the allegiance of some of these men could do the ticket infinitely more harm than good.

The battle, of course, will come on the floor convention, and no one doubts there will be a general display of bad blood. The national committee will wrestle with the question of organization today.

The Bryan men have put forward General Weaver for temporary chairman. This is a shrewd move. They do not believe the opposition will care to make a fight against their late standard-bearer.

"Cyclone" Davis of Texas, will ask the convention to adopt a resolution to unite with the Democrats on one set of electors in each state, which is the sentiment of the middle-of-the-road Populists.

SILVER MEN.

ST. LOUIS, July 21.—Congressman Towne, of Minnesota, one of the silver Republicans who walked out of the St. Louis convention and announced the severance of his allegiance to the Republican party, arrived here today. The "silver movement in Minnesota," said he, "is growing by leaps and bounds. Among Republicans I was amazed at the widespread defections in favor of free silver. Republicans and Populists are enthusiastically for Bryan. An independent nomination, in my opinion, is impracticable. Bryan should be endorsed. I am for Bryan."

WILL SUPPORT BRYAN.

ATLANTA, Ga., July 21.—The Atlanta Journal, which led the fight in Georgia, against free and unlimited coinage of silver, said in its leading editorial today, while it cannot approve of all of the Chicago platform it will support Bryan and Sewall.

CALIFORNIA'S THREAT.

KANSAS CITY, July 20.—While en route to the national Populist convention, the California delegation, 39 strong, last night issued an open letter to the Democratic presidential nominee, William J. Bryan, urging him to go before the country as the nominee of the Populist party. The letter was composed and dispatched while the delegation was waiting for the train to St. Louis. Dr. G. W. Daywalt, of San Francisco, being chosen secretary and instructed to write it. The letter says in part:

"If you will accept the nomination, from the Populist party, declaring yourself a Populist, you will become the leader to whom will rush every reformer, be he silverite, Democrat or Republican, and not only be elected yourself, but also elect a congress, the law-making power. This is the opportunity of your life, which, if taken advantage of, will send your name down in history as the savior of our country by the means of Populism. If you don't do it, we must, in defense of our principles, put another nominee in the field. Can you thus be elected?"

WEST VIRGINIA DELEGATION.
ST. LOUIS, July 21.—Colonel Nat Ward Fitzgerald, who ran against William L. Wilson for congress four years ago, arrived this afternoon. He is the member of the national committee from West Virginia, and said the delegation of that state, as far as heard from, were for Bryan.

W. J. BRYAN'S MAIL.

LINCOLN, Neb., July 21.—In consequence of the tremendous mail Bryan is receiving he has given out the following:

"To the Public: My daily mail has grown so large that I find it impossible to reply at length to each. Those who are interested in the success of our cause will appreciate the situation and pardon me for making the following suggestions:

"First—As time will not permit a full discussion of the principal questions in so large a number of private letters, I shall, in order to avoid discrimination, reserve all such discussions for public occasions.

"Second—All offers of services and suggestions as to the conduct of the campaign should be made to the national committee representing various states and territories. All requests for campaign literature should be addressed to the secretary of the national committee at headquarters as soon as headquarters are opened. If my friends will be kind enough to observe these suggestions, I shall be able to devote my time more fully to the work of the campaign. W. J. Bryan."

GOLD STANDARD DEMOCRATS.

OMAHA, July 21.—The sound money wing of the Democratic party in Nebraska is now somewhat undecided what course to pursue in the coming campaign. That they will not support Bryan and free silver is the only thing that is definitely decided upon. Just what form their opposition will take, according to Euclid Martin, the recognized leader among them, is as yet undecided. No formal conferences have yet been held, and none have been called, but that such meetings will be held in the near future is a certainty. One of the things that is causing the delay is the convention to be held at St. Louis this week. Euclid Martin goes east today to confer with eastern delegates. He thinks the west will start the revolt.

POPULIST COMMITTEE.

ST. LOUIS, July 21.—The Populist national committee met at 12 o'clock. Taubewick occupied the chair. The principal work before the committee is the selection of temporary officers and the settlement of contests, but these matters were postponed. The Texas delegation was increased from 95 to 103. The representation of each territory and District of Columbia, except Oklahoma, was increased from four to six. Oklahoma was put on a basis of state, and given nine votes because of the large Populist vote cast there. The committee took a recess until 2 o'clock.

New Cruiser.

MADRID, July 21.—The Spanish patriotic league of Argentine, offers to present the Spanish government a cruiser of 4500 tons displacement, costing an approximate of 8,000,000 pesetas. The league representative, Senor Gonzales Salnsa, was interviewed by the government yesterday on the subject. The cruiser will probably be built at Glasgow.

Tremendous Rainfall.

KANSAS CITY, July 21.—Nearly seven inches of rain has fallen in Kansas City and vicinity within three days. The storm was a record-breaker. The Missouri and Kaw rivers are both high. The Central-avenue bridge across the Kaw in Kansas City, Kan., a double-decker used by the "L" road and the city, has been damaged, and is in danger of being washed away.

Twenty-Eight Rounds.

MEMPHIS, July 21.—Billy O'Donnell and Lawson, the "Terrible Swede," met in the Auditorium last night in a finish fight, and the Swede's seconds threw up the sponge after 28 rounds of fighting.

POPULIST KNOCK-OUT

Middle-of-the-Road Men Have an Open Revolt.

MARK HANNA'S MONEY DID IT

A Move to Drop Sewall for a Southern Populist.

ST. LOUIS, July 21.—The middle-of-the-road Populists held a spirited meeting today. A delegate from Oklahoma named Albright pointed out a man seated in front of the chairman, and declared that he had been around the various hotels distributing Mark Hanna's money for the purpose of preventing the endorsement of Bryan and defeating the silver party. The man was Silas Ross, of Buffalo, N. Y.

Ross denied emphatically that he had been engaged in any such business or ever seen the Oklahoma man before. Then occurred a row because men with Bryan badges were in the room. It was claimed by the middle-of-the-road Populists that the Bryan men should either get out or declare themselves for the middle-of-the-road ticket. There were several quarrels. A motion was finally adopted requesting Bryan men to leave the hall.

A German Populist from St. Louis said it was not a Populist, but a Republican meeting.

There were loud cries of "put him out," "down with the traitor."

"Sit down," said the chairman.

"I won't sit down," said the Missourian. "You can't make me sit down."

The chairman told some one to put him out. The German showed fight. A Minnesota man jumped in with fists doubled. Others interfered to prevent hostilities, and the Missourian was hustled toward the door.

TO DROP SEWALL.

ST. LOUIS, July 21.—A quiet meeting took place at Senator Butler's room today, which will, if the claims of those present are realized, have the effect of creating consternation in the ranks of the Bryan and Sewall followers. It was the adoption of a plan to endorse Bryan and place upon the ticket with him a southern Populist. When the meeting adjourned the claim was made that 588 votes would be received for this plan south of Mason and Dixon's line. This is approaching very near a majority of the convention.

Two Draws Fought.

NEW YORK, July 21.—Kid Lavigne, lightweight champion of the world, and Charley McKeever, of Philadelphia, fought six rounds to a draw at Madison-Square garden. Lavigne had an easy time until the last round, when McKeever woke up in wonderful manner, and did considerable damage to his adversary.

PHILADELPHIA, July 21.—Henry Baker, of Chicago, and Frank Slavin, of Australia, fought six rounds to a draw at the Caledonian club. Slavin was the aggressor throughout, but the Chicago lad displayed very clever dodging tactics, and landed some very heavy blows on Slavin's neck.

IMPROMPTU EXERCISES.—Admirers of the compositions of Burns, the Scotch poet, will commemorate the centennial of the poet's death by holding impromptu exercises at the state house tonight. The exercises will be held in the parlor of the governor's suite of rooms, but should the crowd be too large more spacious quarters will be provided. Prof. J. B. Horner, of the Corvallis Agricultural college, and Judge Burnett, of Corvallis, will be in attendance and participate in the exercises, as will also Alexander Shives, an enthusiastic Scotchman from Buena Vista. All admirers of the poet are invited to come out this evening.

California has shipped 449 cars of fruit against 459 at the same time last year.

A MUTINY AT SEA.

Capt. Nash, His Wife and First Mate Murdered.

HALIFAX, N. S., July 21.—The barkentine Herbert Fuller, Captain Nash, from Boston for Rosario, put into Halifax this morning. There had been a mutiny on board. The captain, his wife and the first mate were killed in their berths in the night.

Object of Li's Tour.

LONDON, July 21.—The Paris correspondent of the Times, commenting upon the report that Li Hung Chang had visited the Credit Lyonnaise and had declared that China intended to secure a great loan, but that it desired to treat direct with the banks without intermediaries, suggests that it is possible that the chief aim of Li's tour is to get a loan on cheap terms.

Body Found.

TACOMA, July 21.—The remains of Ed Moran, aged 40, of Coyote, Oregon, was found floating in the Puyallup river at Puyallup. The body was badly decomposed, and had been in the water for three weeks. He said in Puyallup June 30 that he had been robbed in Tacoma of \$400 and was going to drown himself.

Postmaster Skips Out.

VANCOUVER, B. C., July 20.—A. B. Bule, postmaster at Lytton, has skipped out and is believed to have crossed the boundary. He is said to be about \$5000 short in his accounts and also owes personal debts for a considerable amount, having borrowed from every one he could. Writs were issued at the instance of several creditors.

A Sound Argument for the Gold Platform.

The Associated Press is a cold and unfeeling organization. On his way to St. Louis, making a mile a minute by the revolution of the silver wheels in his head, our own Hofer stopped at Forsythe, Montana, long enough to put this message on the wires: "Four state bimetallic and Populist delegates are on board the train, and favorable to you. Hon. E. Hofer, delegate from Oregon." He didn't say whether he was a bimetallic or a Populist delegate from Oregon, but it is reasonable to presume that he is both. He is the boss of the friends of the cart-wheel dollar in Oregon. He carries their proxies in his hip pocket. That is the seat of power of the forces of repudiation in Oregon. But this is not what we started to say. These are facts so well known that they are commonplace anyway. We started out to register a dun colored kick against the unfeeling Associated Press. One of the agents of that soulless corporation got hold of the dispatch and made news of it, but when it appeared in all the daily newspapers throughout the land the signature was plain E. Hofer. It should never be written that way. It used to be Col. E. Hofer. That local connoisseur, Landford Wagner, of the Willamette, gave him that title. The handle of "Hon." he earned himself in the service of his constituents in the Oregon legislature. We sincerely hope that his friends will not again be pained in this manner, by the minions of the grinding corporation with no soul to save.

CAMPAIGN OUTLINED.

Republicans Will Open in the Western States.

SOUND MONEY LITERATURE

Will Be Used to Flood the Silver States.

CHICAGO, July 21.—Mark Hanna has arrived in Chicago, and national Republican headquarters are to be opened as soon as the executive committee selects quarters.

While nominal charge of the Western committee's work will be in the hands of Hanna himself, the committee which will have to do with the actual work will be Messrs. Payne, Durbin and Leland. The distribution of literature throughout the West will be one of the first aims of the committee.

The Republican campaign in the West will be opened in Minnesota and Nebraska, with speeches by Senator Burrows and Roswell P. Poor, of Minnesota.

Before leaving tonight, Hanna said he was not seriously disturbed by the apparent growth of the free-silver sentiment in the Western states.

"We will inaugurate the campaign at once," he said, "by distributing sound-money literature and sending sound-money speakers into the silver strongholds."

MCKINLEY'S TRIP.

CANTON, O., July 21.—Major and Mrs. McKinley started for Cleveland Monday at 12:30. This is Major McKinley's first trip from Canton since his nomination. A crowd assembled at the station to bid them good-bye merely as neighbors and fellow-citizens. He is expected to return Thursday next, and will come via Alliance, 20 miles east of Canton. He is a member of the board of directors of Mount Union college there, and may possibly make an address to the students.

A Parallel.

When Lincoln made the memorable campaign for the United States senate he was beaten by Douglas. But the principle for which Old Abe fought lived and two years subsequently he was nominated and elected president. Had he beaten Douglas he would never have been chief magistrate.

Two years ago Wm. J. Bryan made a canvass for the United States senate. He was turned down. But the principle for which he battled was right and the sentiment in its favor grew and grew until last week he was nominated by the greatest convention ever held for president of the United States.

Lincoln, who had espoused the cause of the negro, said that this republic could not endure half slave and half free. He was chosen president. The shackles of the black man fell. The republic lived.

Bryan took up the cause of the suffering masses against the money changers, the centralization of wealth, and said that this people shall not be crucified on the cross of gold. That sentiment, made the slogan of the advocates of free silver and already heard in every voting precinct in this broad land, will lead the great young commoner of Nebraska's plains on to victory as noble and grand and enduring as that which crowned the immortal Lincoln.

The money power will be forever broken. The republic will live, and then will the parallel found in Lincoln and Bryan be complete.—Exchange.
